Atom will be split as follows until December 25th:

Carberry	Boissevain
Glenboro	Hartney
Shilo	Deloraine
Souris	Reston
Killarney	Virden

Teams will play a home and home before Christmas in their own pool and then play a home and home with the other pool in the new year for a total of 18 games.

League starts October 24th weekend and ends February 13th weekend with an extra week for weather related make up games.

Current plan for playoffs is for no tournament style but that will be decided at the February meeting.

Peewee M: Magwood/Hayward

Peewee teams will be split as follows until December 25th:

Wawanesa	Virden
Carberry	Melita
Killarney	Delo/Hartney
Glenboro	Souris
Boissevain	

Teams will play vs their own pool until Christmas and then crossover after Christmas for a total of 20 games.

League starts October 24th weekend and ends February 13th weekend with a week for weather related makeup games.

Bantam M:Larocque/Cooke

Bantam teams will play a double home and home between the 6 teams for a 20 game schedule. No cohort groups will be used in Bantam

League starts October 24th weekend and ends February 13th weekend with a week for weather related makeup games.

6. Bottineau: decided that due to the border currently being closed Bottineau will not be scheduled into any league games this year. Bottineau is hopeful they can make it up here for exhibition games and tournaments in the new year.

7. Scheduling data:

Towns need to send ice times to me as soon as possible. If they have 10 home games in a 20 games schedule I will need at least 12 home ice slots. **If towns do not provide enough home ice slots I will schedule your home game as an away game against the team that you need to play**

8. Game sheets will be delivered to my house this week or early next week and I will get them out to the towns. The towns that need to check if they need game sheets please let me know as soon as possible. **Souris, you may want to check as no one came to the meeting.**

9. Additions:

Constitution review

H. Officials point 3

Changed the wording from in Bantam games, at least one of the officials must have level 3 certificate to now read; **In Bantam games it will be up to the towns referee assignor to assign qualified officials for the games** (simply removed the level 3 requirement)
